Compiled by the **League of Women Voters of Carrollton-Carroll County**, this publication was funded through the contributions of the **Carroll County Chamber of Commerce** and the **League of Women Voters Education Fund**.

On October 8, 1960, a group of Carrollton women set up temporary committees for the purpose of forming a League of Women Voters in our area. August 23, 1962, the national League officially recognized the League of Women Voters of Carrollton. Later in the local League's history, Carroll County was officially added, making it the **League of Women Voters of Carrollton-Carroll County (LWVCCC)**.

The purpose of the LWVCCC is to promote political responsibility through informed and active participation of citizens in government and to act on selected governmental issues. The LWVCCC is a non-partisan, issue-driven organization that does not support or oppose any political party or candidate. Members of the League encourage knowledgeable voting, thoughtful examination of information and facts, engagement in civil discourse, and active involvement of the general public in decisions made by elected officials at local, state, and national levels.

More information about the LWVCCC can be found at www.lwvga.org/lwvofCarrollton.html. For questions or to be placed on our friends and contact list e-mail the general League address at lwvccc@gmail.com or contact President Robin Collins at robincollins.lwvccc@gmail.com or by telephone at 770-834-7280.

To report errors or corrections for this brochure, contact Anne C. Richards by phone (770-834-8143) or e-mail (arichard@westga.edu).

The mission of the **Carroll County Chamber of Commerce** is **Growing Business in our Community**. For more information or to join, contact Daniel Jackson, President/CEO, Carroll County Chamber of Commerce/Carroll Tomorrow (770-832-2446).
