Branded for You, Hosted by Yiftee

Customers choose amount, provide email/text/twitter address for recipient (or print), write message and pay with a credit card. Yiftee verifies card, processes payment and delivers gift (we also send reminders to use it). Yiftee protects you from credit card fraud.

Your customers will find it quick and easy.

Choose Gift Amount

Wildberry Pancakes & Cafe
Gift Value: \$25

\$25

\$5 \$25 \$50 Other

Price must be between \$5 - \$250.

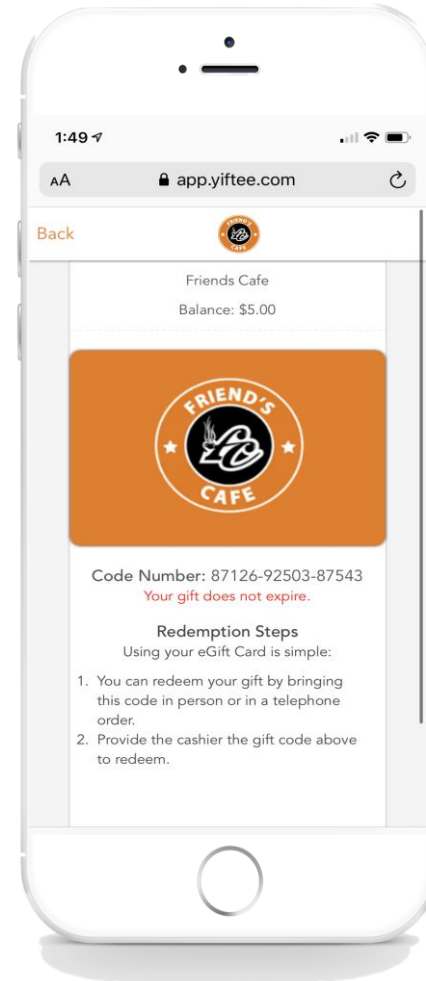

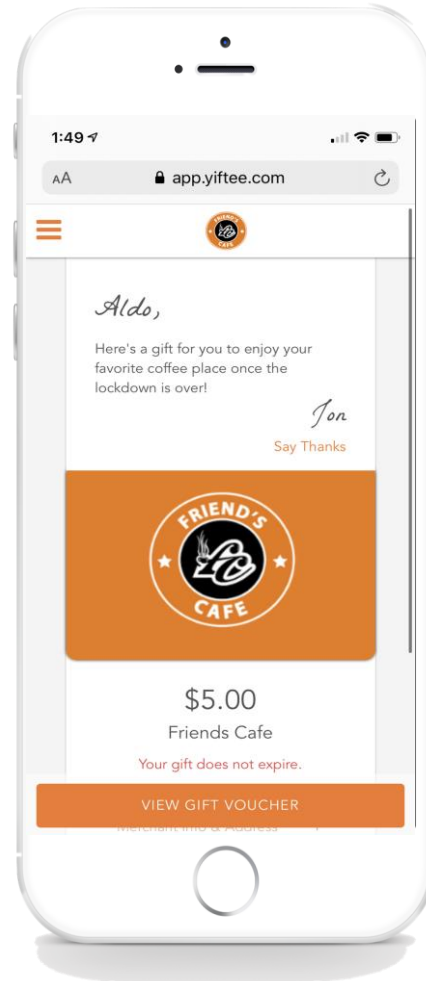

Select Amount

eDelivery fee of \$1.25 will be applied.

Customers pay an eDelivery fee of \$1+5% for the convenience of buying online, shopping 24x7, giving gifts from far away, etc. You can choose to pay this if you prefer. It covers the initial credit card fees and your fraud protection.

Redeeming Yiftee eGifts is Easy

Any merchant with access to a internet browser can have a digital gift card in minutes.

Customer presents eGift Card on a mobile device or printed on paper.

Redeem online on your merchant portal. Enter the gift code number and the amount to redeem. You can access the portal on any smartphone, tablet or browser.

If you'd like to refund an amount, choose "Refund" as the action.

The balance is automatically updated to reflect the remaining amount.

Payment for gifts sold are sent weekly via electronic transfer.

Just provide your name, contact info, location, description and images to set up your Yiftee eGifting program.

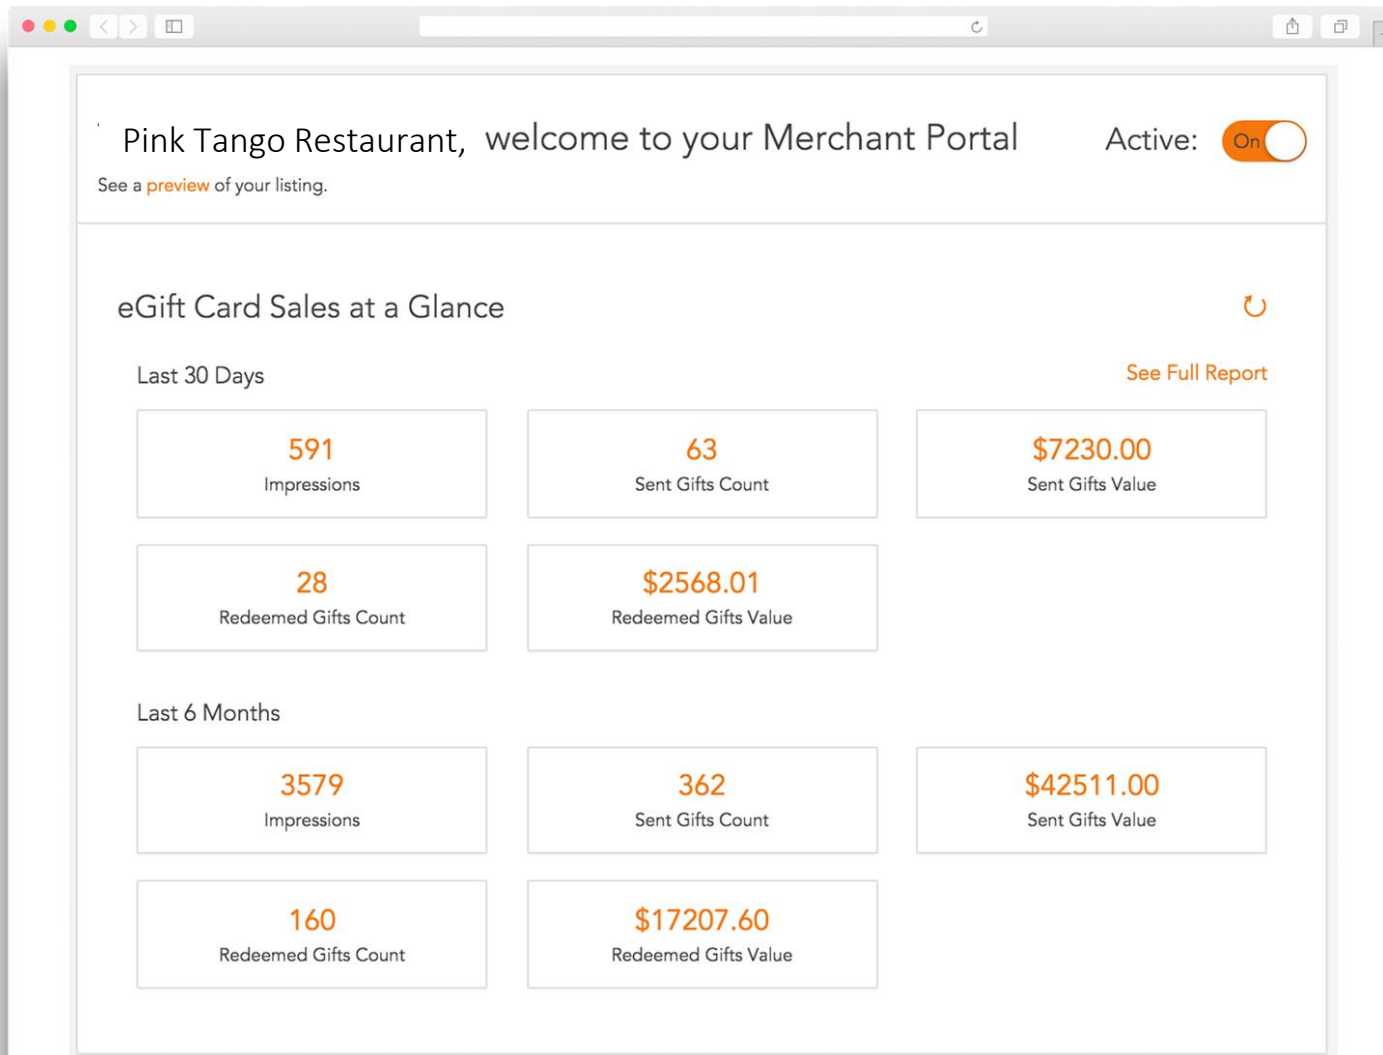

You get the full value of the eGift Cards sold sent to you weekly.

Set Up Is Simple

You get a dashboard that you control for your branding and gift card information. You can change it anytime. Setup usually takes about half an hour and you're in (eGift Card) business! Add your banking info where weekly payments will be sent for eGift cards sold.

The screenshot displays the Yiftee merchant dashboard. At the top, there are navigation links: SEND A GIFT, CHECK GIFT BALANCE, HELP CENTER, and YOUR BUSINESS. Below this is a menu with options: eGift Cards (highlighted), SMS Promotion, Buy One Get One, Birthday Club, and Analytics. The main content area is titled "Listing for Arthur's Restaurant" and includes a "Next" button. A sidebar on the left shows the user's profile: Arthur Wong, arthur@yiftee.com, and "Your business Admin Account". Below the profile, it shows "Balance: \$0" and an "Add Funds" button. The sidebar also contains links for Dashboard, Edit Listing, Manage Locations, and Manage Your eGift. The main listing area shows "Merchant Portal / Listing" and details for Arthur's Restaurant, including business name, location(s) with addresses and phone numbers, and a business website URL. A "How can I help? -- Live Chat +" button is visible in the bottom right corner.

Analytics

24/7 actionable & dedicated data dashboard, comes standard with Yiftee. Add gift buyers to your mailing list.
