

2022 Chairman's Circle Investor Guide and Sponsorship Opportunities

**Carroll County
Chamber of Commerce**

The Carroll County Chamber of Commerce has been a catalyst for economic vitality in our community for over sixty-five years. With nearly 600 members, we are Carroll County's most prominent business organization.

Through the Chamber, member companies can promote their products and services. Businesses can build professional relationships, expand their network, develop their team, and sharpen their skills, all to increase profits and build a foundation for expansion and growth.

Are you seeking exposure? Exploring creative ways to market your business? Looking to position your company as a community leader? The Chamber provides many opportunities to place your business in front of other local companies, professionals, and community leaders. The Chairman's Circle and other unique sponsorship packages offer a wide range of options for you to promote your business or non-profit at Chamber events throughout the year. Chamber sponsorships are designed to help build and strengthen relationships with your company and the Carroll County Community!

Leadership Programs

Leadership Carroll

The Leadership Carroll program consists of sessions that include half-day programs with formal instruction in leadership from the academic, business, and civic worlds, combined with practical on-site tours and visits with business, industry, governmental, and other leaders in west Georgia. It is based on the University of Georgia's J.W. Fanning Institute Community Leadership Program.

Emerging Leaders

The program broadens participant community knowledge, enhances leadership skills, and builds strong leaders who will impact Carroll County and beyond. The Emerging Leaders will be introduced to community leaders and given resources to empower them to have a lasting impact on the community. The group will meet monthly for networking and educational sessions on various topics, including leadership, relationship building, communication, and community collaboration.

Junior Chamber

The Carroll Junior Chamber of Commerce is designed to build strong leadership skills in participating high school students and develop community awareness and concern for the future of Carroll County. The students participate in a one-day per month program from September to April in which they are learning, engaging, and participating in group activities on subjects such as understanding leadership, business etiquette, communications, team building, appreciating difference, managing conflict, setting goals, community asset mapping, and community service.
